

IDA BAGUS SURYA DHARMA

JUNIOR UI/UX DESIGNER

Address : XIII No 3 Gadung St., North Denpasar City, Bali, Indonesia

Phone : +6287702010614

Email : idabagussuryadharmma218@gmail.com

SUMMARY

"A dedicated and detail-oriented UI/UX Designer with a strong background in Software Engineering. Certified by BNSP as a Junior UI/UX Designer, specialized in creating intuitive, user-centric interfaces and seamless user journeys. Proficient in transforming complex requirements into high-fidelity prototypes using Figma and Framer, with a deep understanding of user flow, wireframing, and usability. Passionate about bridging the gap between design aesthetics and technical implementation."

PROJECT EXPERIENCE

QA & UI/UX Designer – Lokana (UMKM Platform)

January 2026

- Created a digital directory and promotion platform specifically for Balinese MSMEs and local artists.
- Served as Quality Assurance (QA) to ensure website functionality and performance prior to launch.
- Crafted a seamless user journey to help local artists promote their products effectively in a digital marketplace.

UI/UX Designer & Full-Stack Developer - InvoicePro

November 2025

- Orchestrated the entire design process, including flowcharts, user flows, and wireframes to simplify complex corporate financial tasks.
- Developed high-fidelity UI designs and interactive prototypes, ensuring a smooth and intuitive user experience.
- Iterated designs based on stakeholder feedback, resulting in an interface that is highly accessible and easy for users to navigate.

Junior UI/UX Designer - E-Commerce Marketing Platform (Telkom DigiUp)

November 2024

- Successfully completed an intensive UI/UX design bootcamp and earned a BNSP Certification as a Junior UI/UX Designer.
- Designed a comprehensive e-commerce website focused on product marketing, from initial research to final high-fidelity mockup.

EDUCATION

SMKN 1 Denpasar

July 2023 - Mei 2026
